

AP Chem  
Section Summary Sheets (AP SSS)

Name: \_\_\_\_\_

Date: \_\_\_\_\_

For each assigned section of reading in your textbook, complete the following. Note: These APSSS will often be allowed for quizzes (but probably not tests).

Section Number: \_\_\_\_\_

Section Title: \_\_\_\_\_

I. Record and Define the major vocal terms

Vocab terms

Definitions

|       |       |
|-------|-------|
| _____ | _____ |
| _____ | _____ |
| _____ | _____ |
| _____ | _____ |
| _____ | _____ |
| _____ | _____ |

II. Major Concepts

Summarize the major Concepts from this section (for example: "Kinetic Theory")

III. Important Formulas

Record the important mathematical/chemical formulas that were introduced in the section. Make sure you can identify the meaning of each variable or constant in the formula.
